DIRECTORS' REPORT

Foundation

The Barenbrug Helping with Hands Foundation was established on 1 March 2016 and per the same date registered in the Chamber of Commerce under file number 65508858.

Goal

The foundation has the goal of supporting charities in a sustainable manner, including but not limited to charities in the field of environment, education and sport as well as anchoring Corporate Social Responsibility (CSR) in the entity with limited liability, located in Nijmegen: Barenbrug Holding B.V. and affiliated companies, to strengthen the community engagement. Projects are supported when the external costs exceed € 1,000, in combination with a substantial number of staff being active helping with their hands to realize the project.

ANBI status

On 20 January 2017 the foundation was recognized by the Dutch tax authorities, retrospectively to its date of establishment, as a general institute in view of the common good, in Dutch “een algemeen nut beogende instelling” (ANBI).

Equity

The equity exists of reserves that are equal to the balance of received donations deducted with the amount spent on supported projects and other costs the foundation has incurred. This reserve is available for supporting projects and incurring costs in 2024.

Remuneration of the Board

The three Board members have performed their activities for the foundation without receiving any remuneration.

Budgets

The foundation does not make use of budgets, as the Board considers this not useful. The support of projects depends on the activities of the staff of Barenbrug Holding B.V. and her affiliated companies. At the moment all the donations are spent the Foundation will request known contributors for a new donation.

Donations/supported projects

The balance of funds at the start of the financial year was considered a bit tight for the foundation to support the expected projects in line with the goals of the foundation in 2024. These projects were realized in the Netherlands, Brasil and South Africa. See the Helping with Hands website for more information. In 2024 no donations have been received to support projects in 2024 and beyond.
